**PETITIONING THE COURT**

[X] To modify the conditions of supervision as follows. The addition of the following special condition(s):

The defendant shall perform 80 hours of community service in a manner approved by the Probation Department. The defendant will cooperate in allowing the Probation Department to confirm the community service is completed.

The defendant shall submit his person, residence, vehicle, and any other premises under his control to a search upon reasonable suspicion that contraband or evidence of a violation of the conditions of supervised release/probation may be found. The search must be conducted in a reasonable manner and at a reasonable time. Failure to submit to a search may be grounds for revocation. Furthermore, the defendant shall inform any other residents that the premises may be subject to a search pursuant to this condition.

**CAUSE**

On January 13, 2012, the offender was arrested in New York for possession of marijuana which resulted in a conditional discharge. When confronted about the arrest, the offender made false statements to the Probation Office for the Eastern District of New York. The above conditions are in response to the offender's non-compliance. The search condition will allow the Eastern District of New York to monitor the offender's actions and associations more proactively.

Respectfully submitted,
